ERPDiary

Very easy and secured way of sending SMS

The dashboard for sending SMS is user-centered and SMS can be sent at a click.

SMS crosses DND

SMS are transactional and crosses DND to have a good reachout.

Send message of sudden off or urgent nature

Urgent messages can be sent very easily 24*7 on the go.

Establish good communication with parents and staff

Informed parents and staff make the best environment for a school.

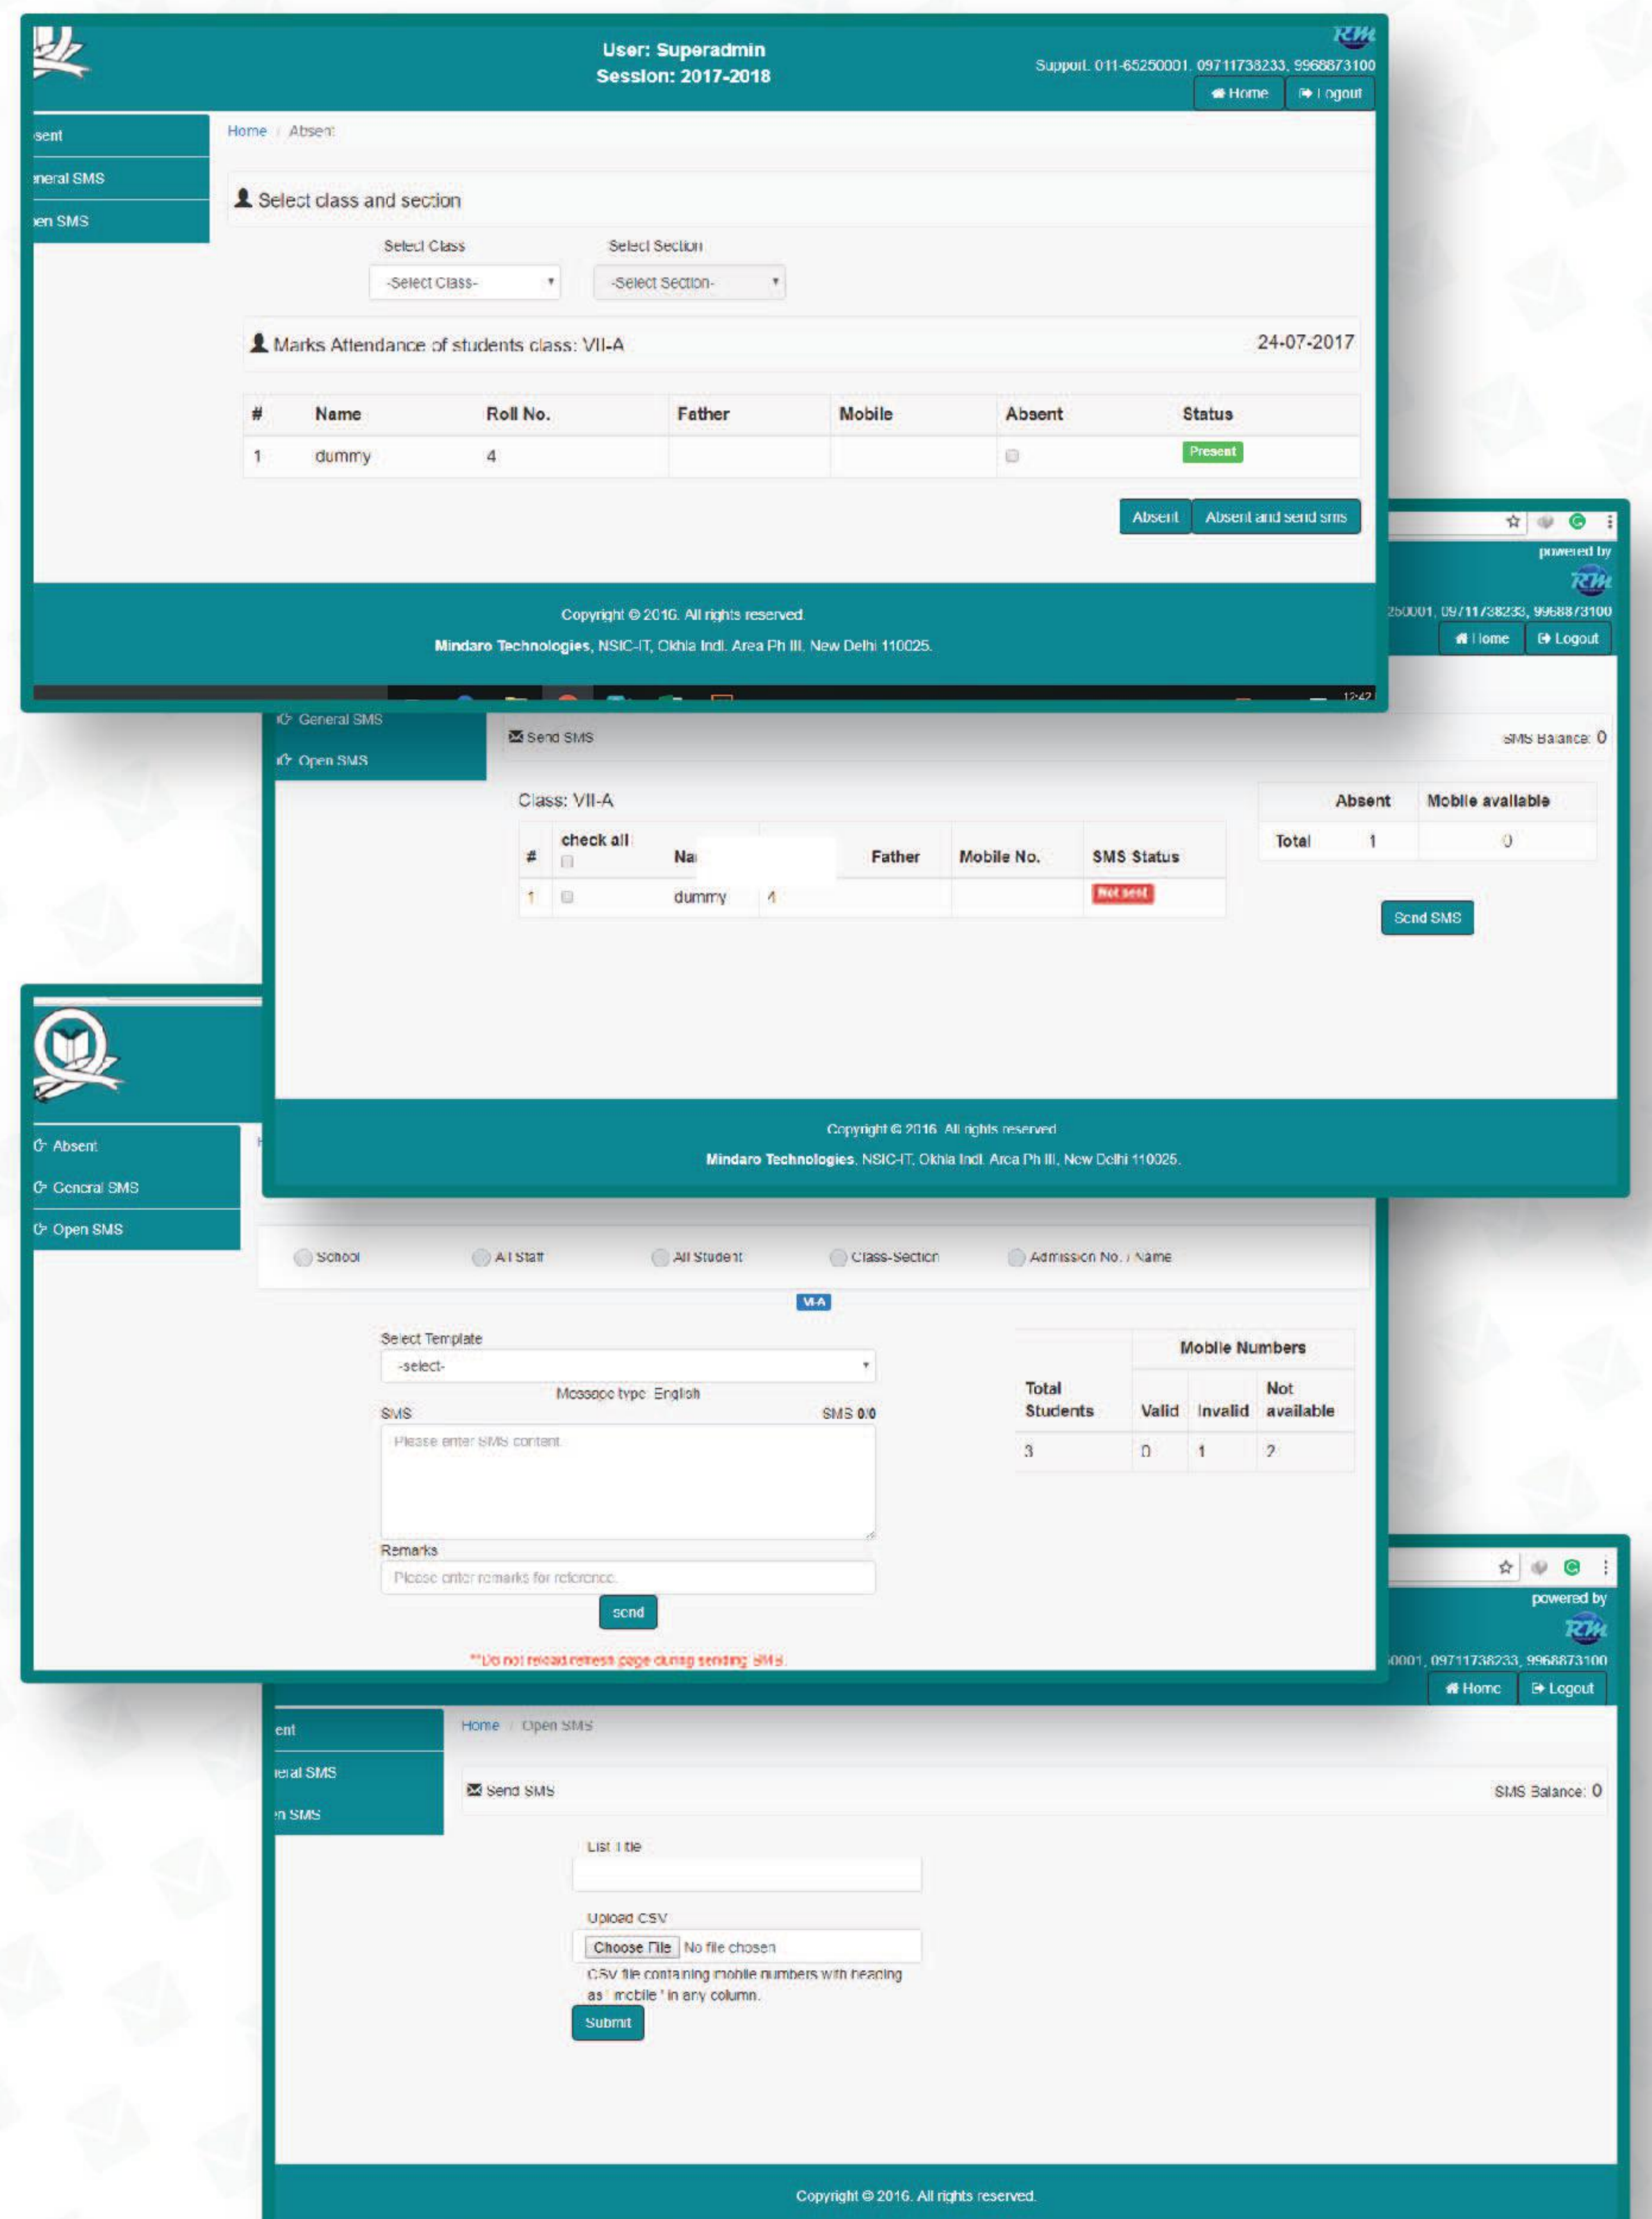

Track sent history

Very easily check the sending history - what, when and to whom.

Various templates, languages, categories and many more features.

Select template or add new, language options, categories like all students, selected classes etc., check valid mobile numbers etc.

ERPDiary

ERPDiary

- Send to 'All School', 'All Students', 'Class-Section' or through name, admission no.
- Send Absent SMS, Fees SMS, Homework SMS, or general SMS
- Use templates or write your own messages
- Send SMS in any language - English, Hindi etc.
- Send urgent SMS even if school is closed

Communication is very important and it is more important when it is related to children

Send SMS to parents Keep communication open and fast

SMS Module is very good communication link between a school and parents for the overall development of a student. Schools can send result, absence, notices or any kind of urgent information from one to all students and staff in a few clicks.

BEST CHOICE FOR EVERY SCHOOL

SCHOOL ENTRY

Online Admission System

School Entry

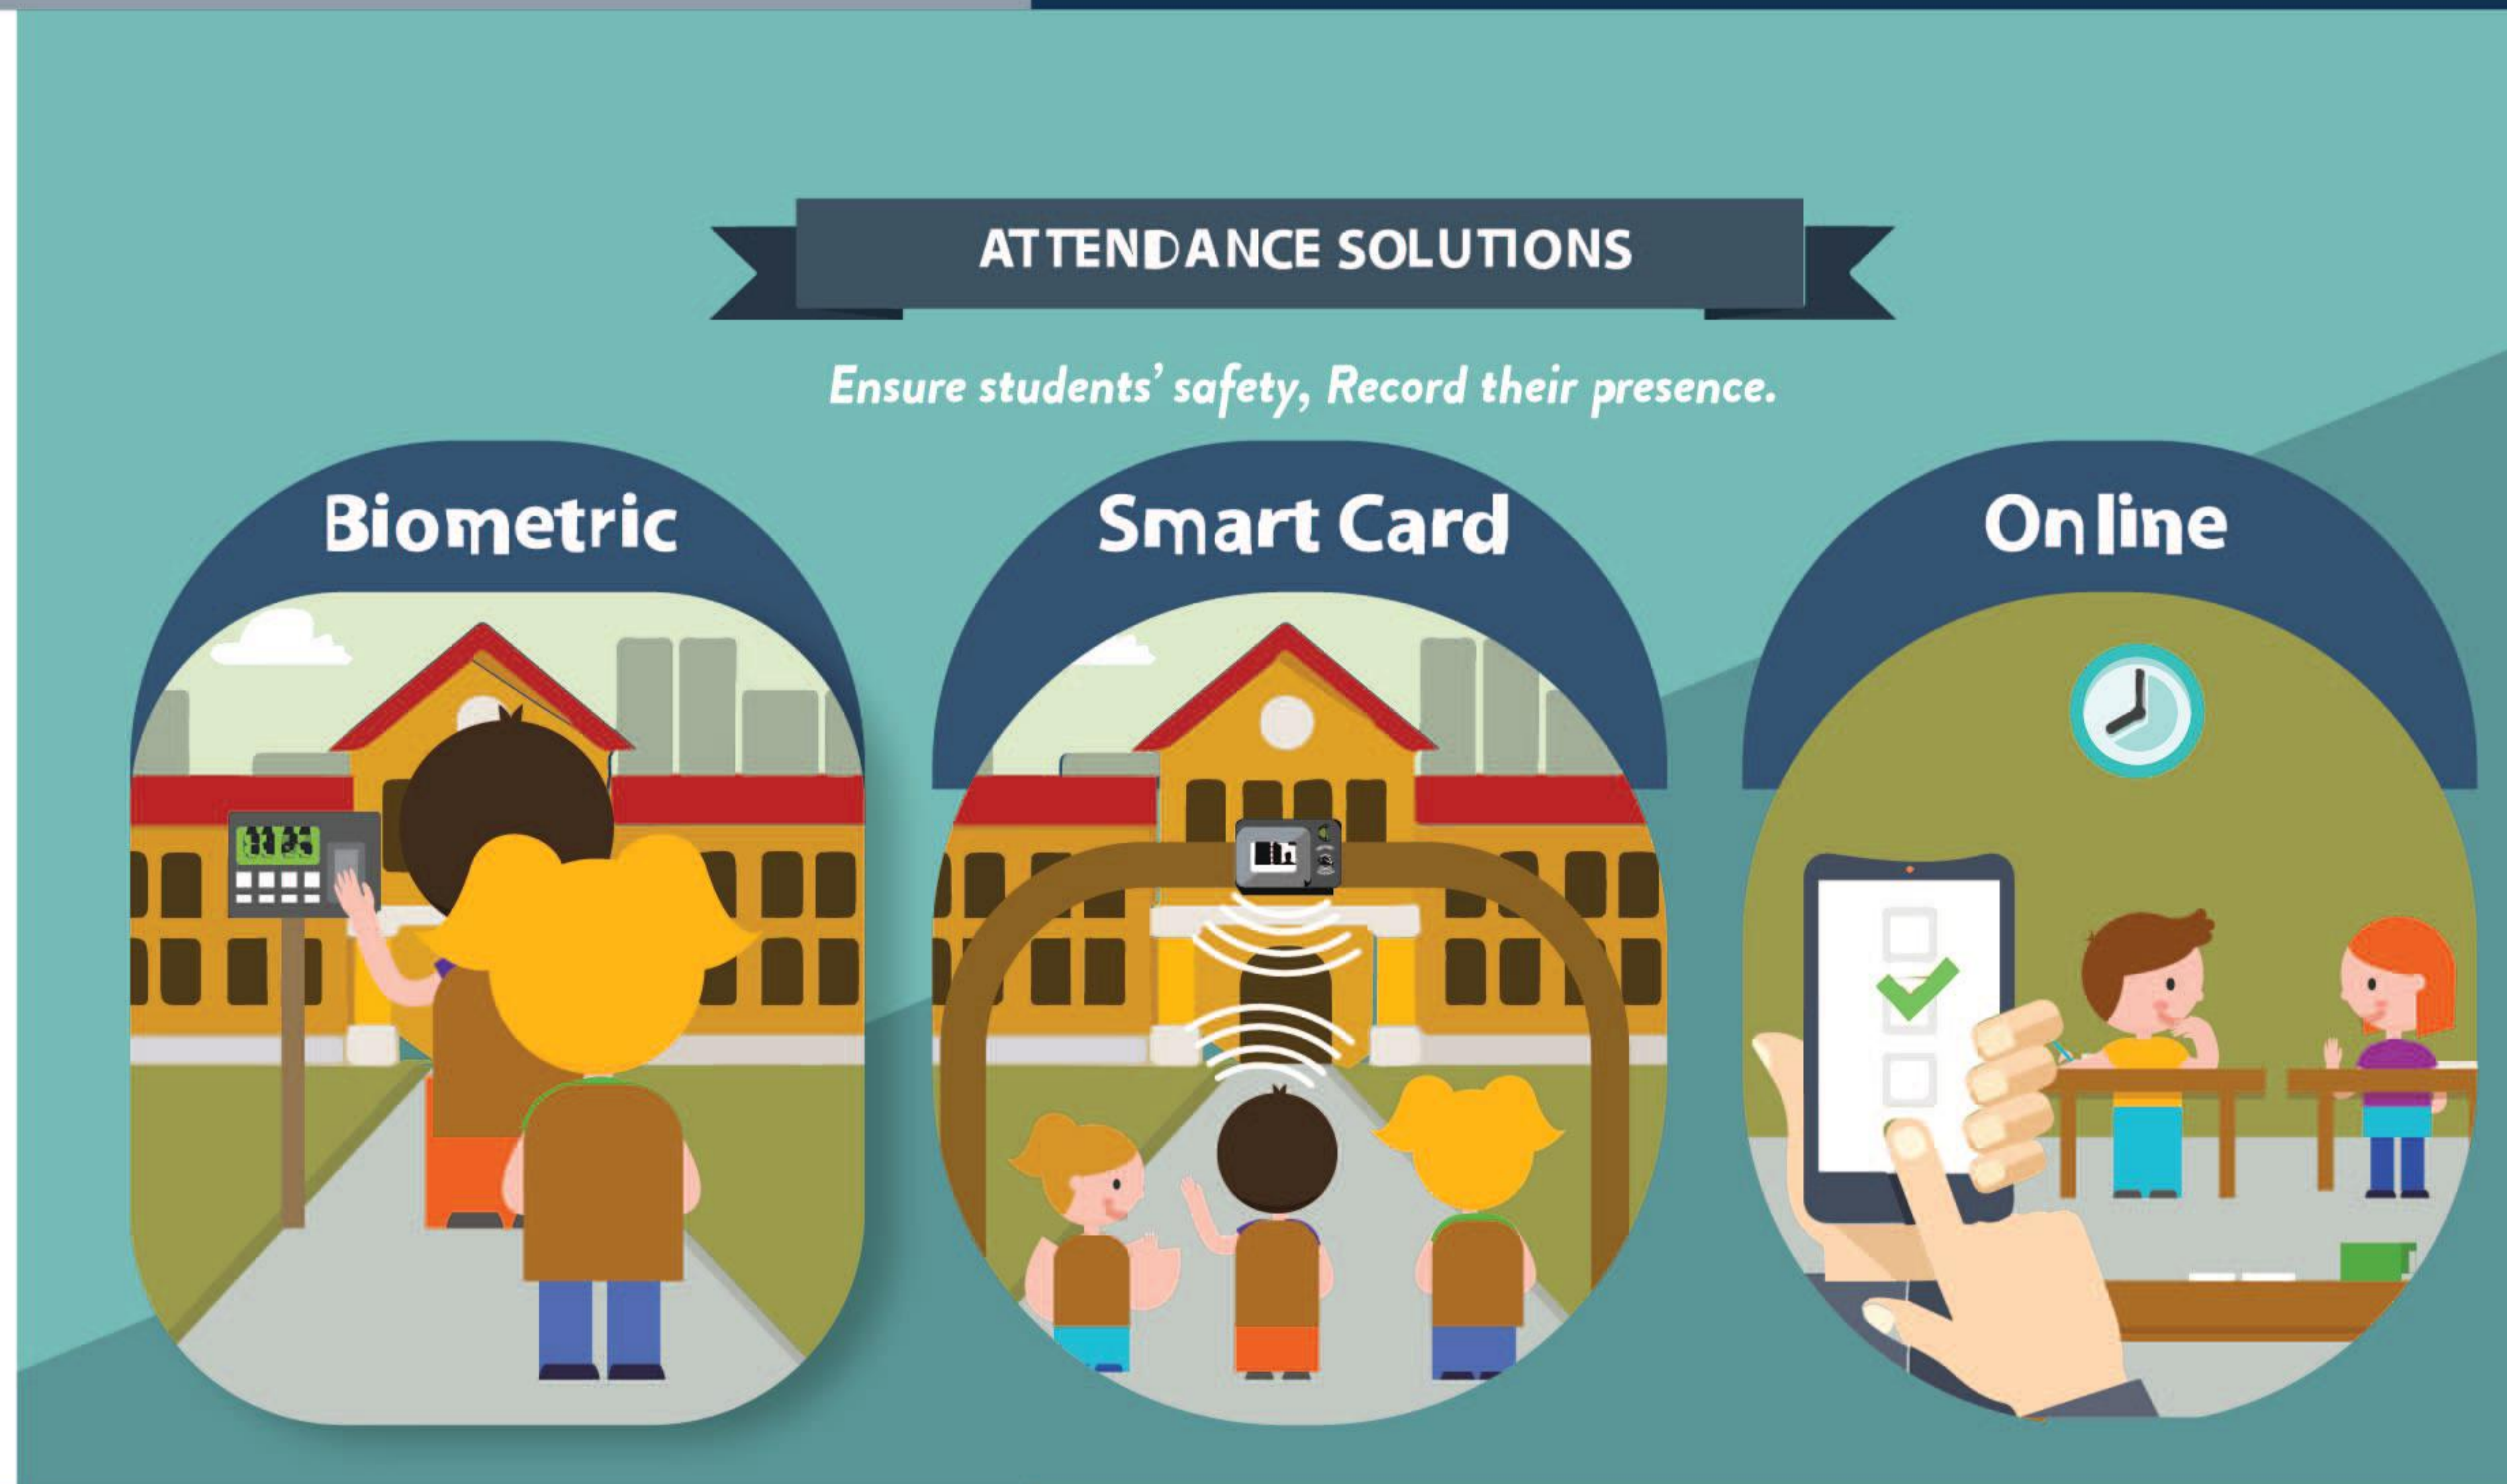

- Get Admission Form filled online by parents
- Highly configurable easy-to-fill form capturing all required details
- Receive admission fee/brochure cost etc. through online or manually at counter
- School can design their own forms or replica of present Admission Form can be made.
- All the required material can be easily uploaded (DOB certificate, residence proof etc.)
- Avoid long queues at the school gate with a lot of convenience to parents and school

Attendance

- Various options for recording presence - biometric, Smart I-Cards, & online marking
- Bus attendance or class attendance - integrated with SMS or App notifications
- Staff attendance or student attendance - get information live, 24*7 and on the go
- Integration with other modules like SMS, Absent fine, leave records, paybill for staff etc.

ATTENDANCE SOLUTIONS

Ensure students' safety, Record their presence.

The image shows three circular icons representing attendance methods: Biometric (a person using a scanner), Smart Card (a person holding a card to a scanner), and Online (a hand holding a smartphone with a checkmark on the screen).

HomeWork

Dear bro,
Have you got any homework today?

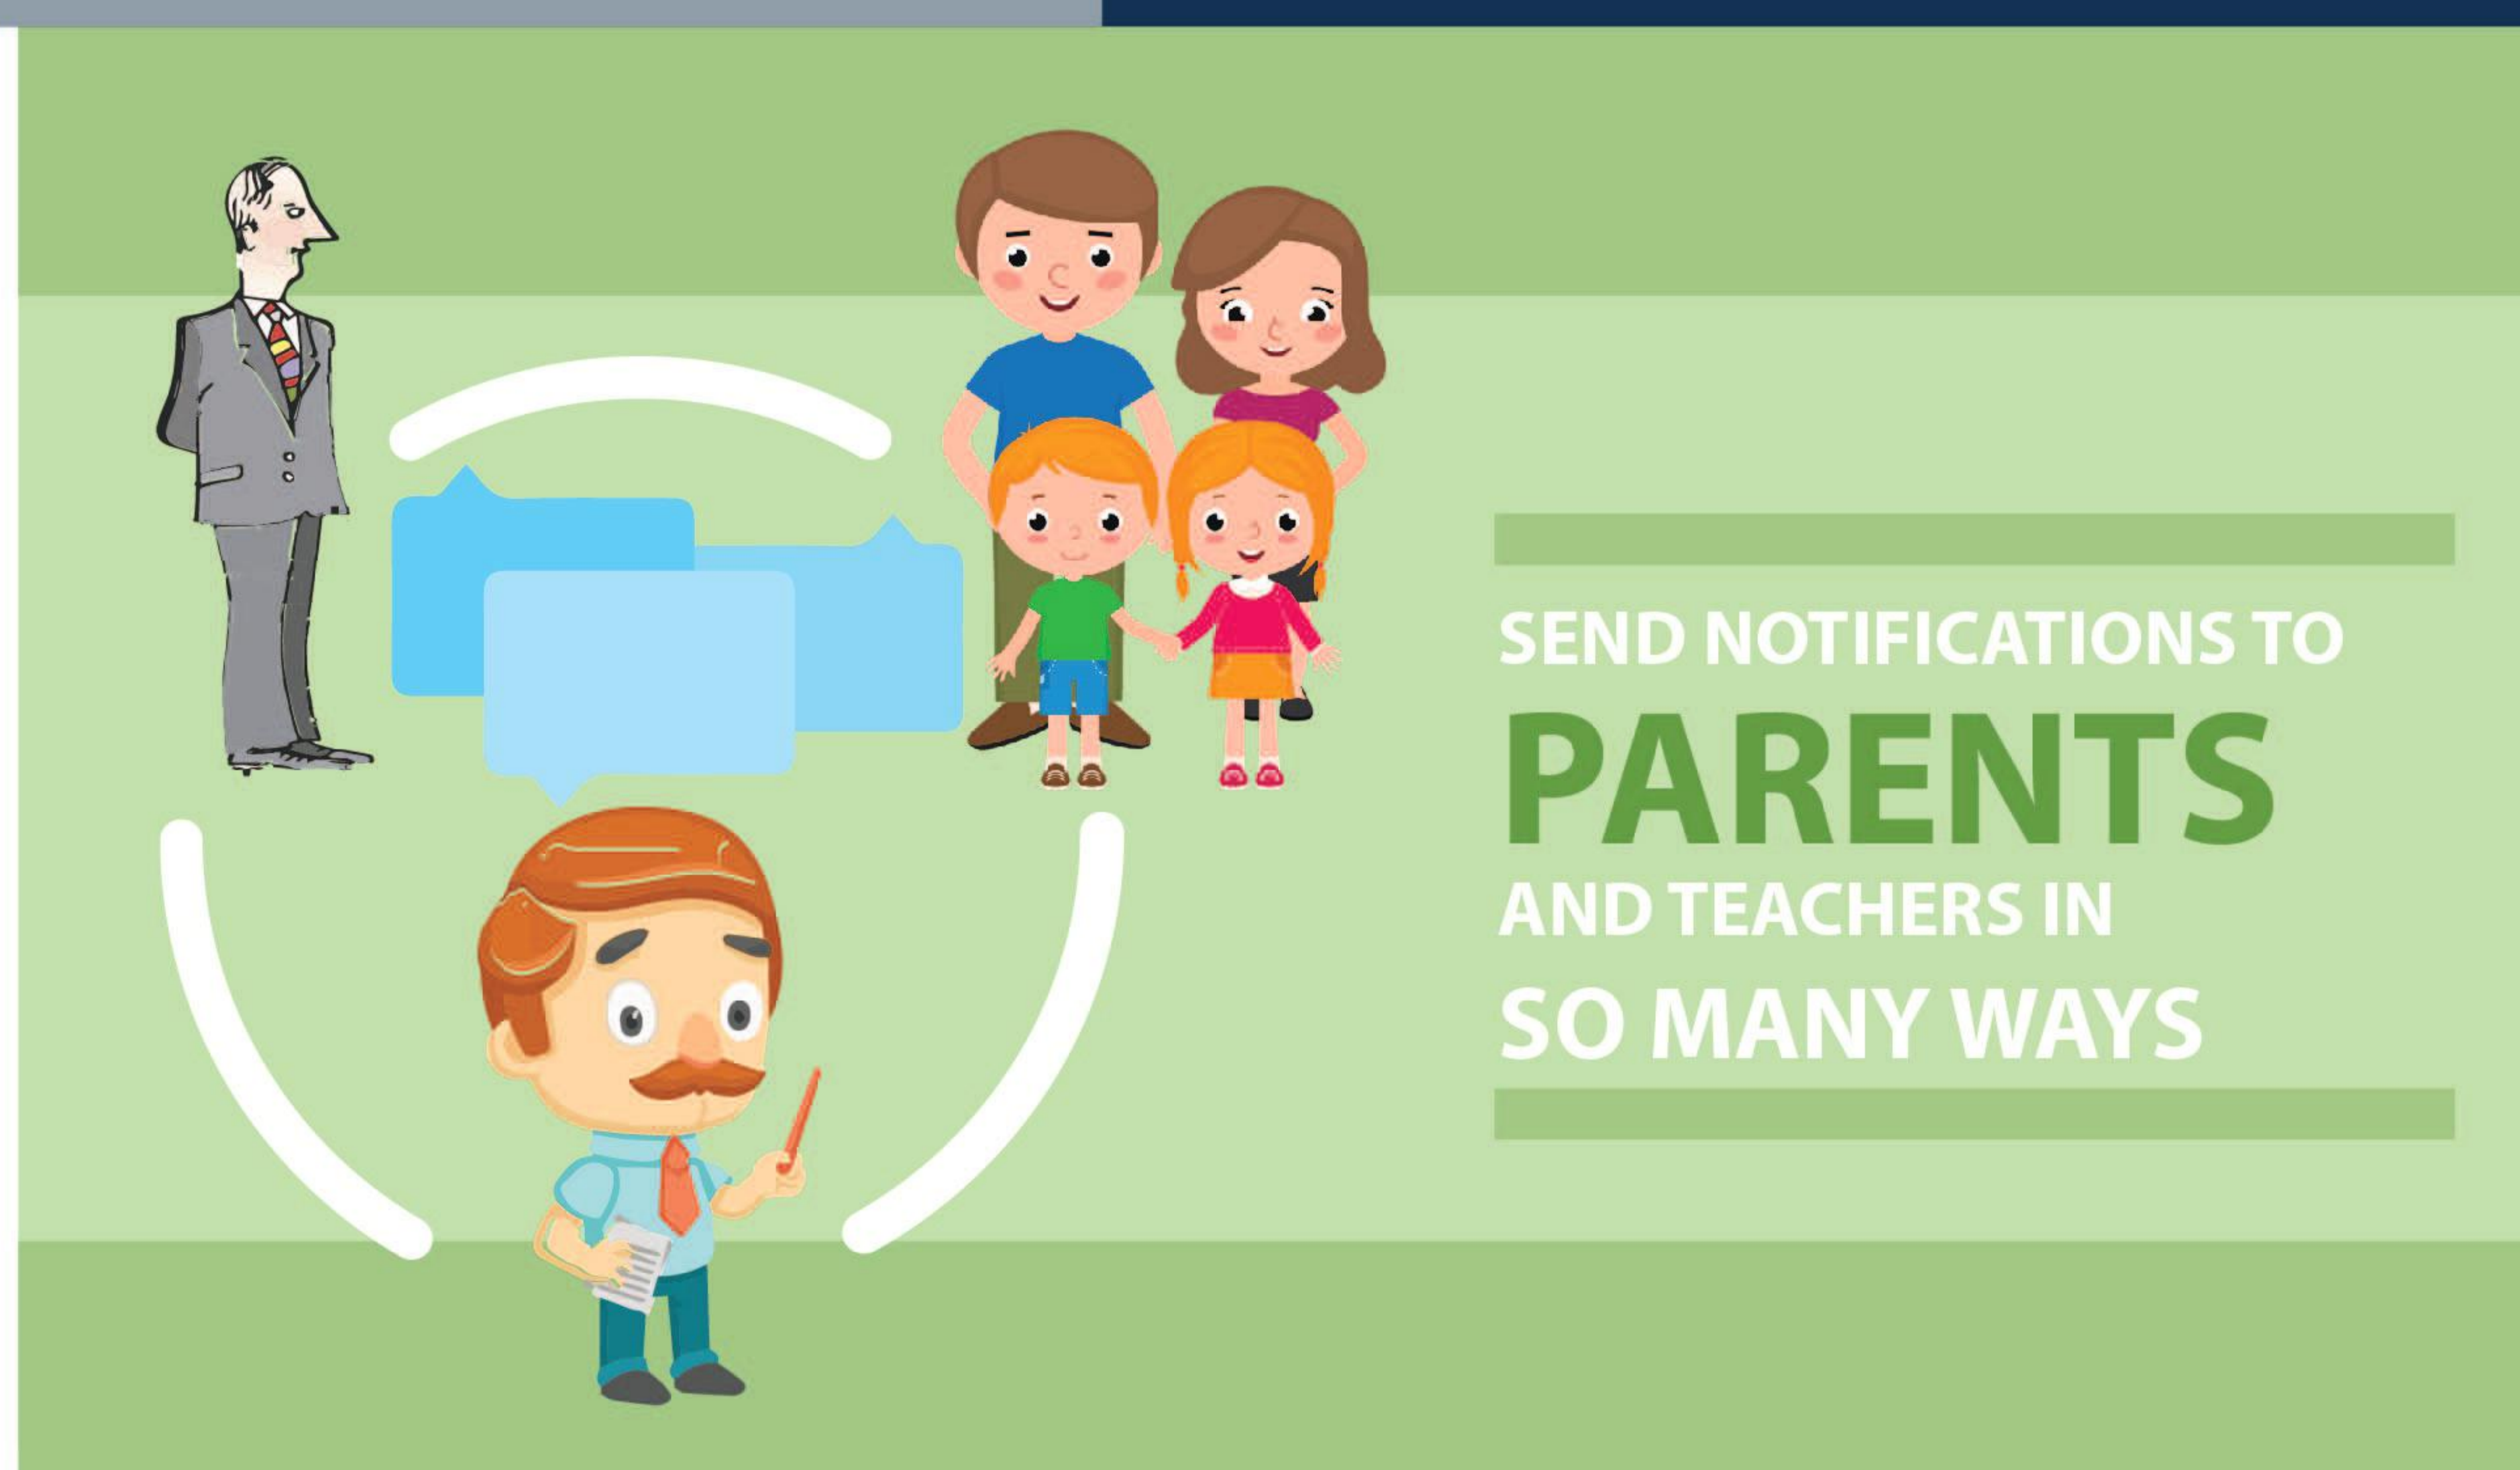

Today's Homework
Do Exercise of Maths Ch-2
All Questions

HomeWork

- No homework absenteeism because informed parents ensure homework completion
- No need to write students' diary, saving a lot of time for better pedagogical activities
- Very teacher-friendly system to upload H.W. through mobile camera
- Conveniently inform parents through web login or through Android App

Notification

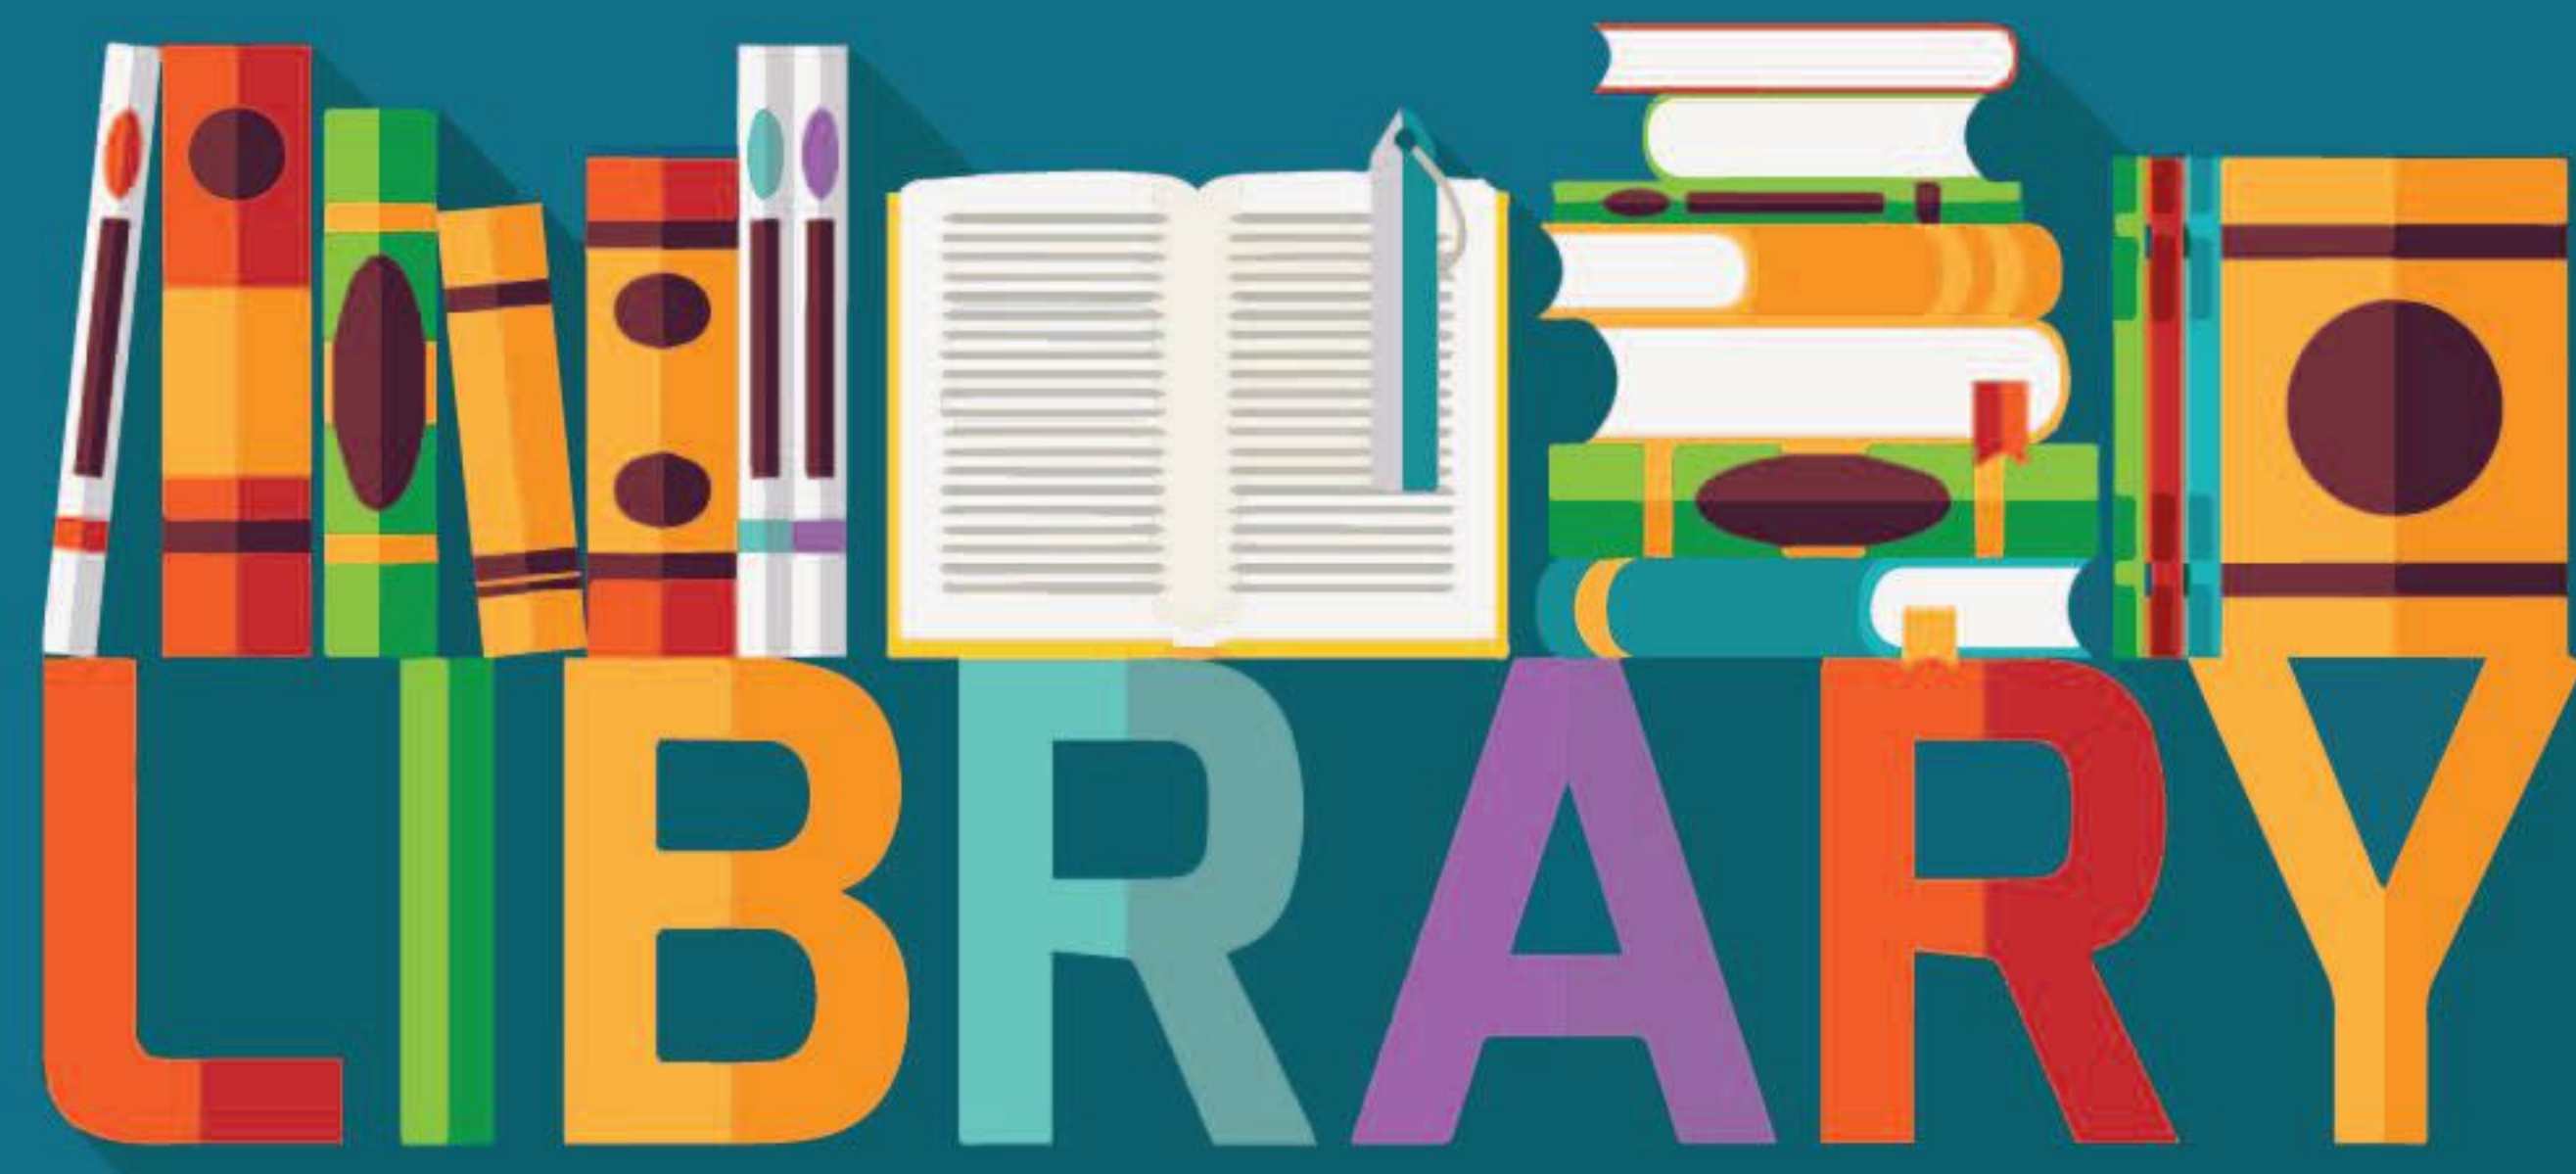

- Communicate freely with parents and share important news, circulars, event announcements etc.
- Track who have seen the notification and when
- Get response or feedback from the parents on important issues
- Send an item to a student or section or entire school

SEND NOTIFICATIONS TO PARENTS AND TEACHERS IN SO MANY WAYS

The illustration shows a teacher at the bottom, a parent and children at the top, and a notification bubble in the middle, all connected by curved lines representing communication channels.

MANAGE
LIBRARY

MORE EFFECTIVELY

Library

- Fast and secure issuance of books alongwith other library management activities
- Parents can track what type of books kids are reading, which book has been issued, etc.
- Effective management of late returning of books alongwith waiving-off late return fine
- Better management through barcoding of books to help tracking and usage

Inventory

- Monitor each item - easily at a click round the clock from anywhere
- Track whole lifecycle of an item from entering into the gate to its final consumption or disposal
- Get timely alerts on stock depletion to ensure smooth functioning of every item
- Different reports like item-wise, date-wise, category-wise, staff-wise etc.

**MAKE ANY TYPE OF
CERTIFICATE**

Certificate

- Get beautiful designed certificates or get your favourite legendary design
- Process mapping like certificate generation after no dues from admin or library etc.
- Define innumerable number of certificates for various events
- Certificate mapping for students, sections, houses etc.
